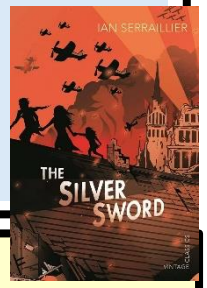
Welcome to Autumn Term 2 in Robin Class

Dear Parents/Carers, we welcome you and your child back to Robin class. We hope that you had a wonderful October half term break and that everyone is ready for Term 2. This newsletter contains information about your child's learning. If you have any questions, please don't hesitate to contact us!

Reading

This term will be reading the book 'The Silver Sword' by Ian Serraillier We will have the opportunity to share the text aloud, pausing to consider characters and events.



Homework

This term's theme for our homework grid is linked to our history unit about the Second World War. Please aim to complete at least four activities across the term. Reading diaries are checked on Mondays.

PE: Unit and Days

PE is on Monday and Wednesday. Please come dressed in PE kit on those days. This term sport is **Tag Rugby.**

At Longcot and Fernham CE Primary School, we want our pupils to love learning and be excited, passionate and challenged by our deep, rich curriculum.

History

We will be focus on:
Local History – **Considering the impact of World War 2 on the local area. (As well as in a wider context.)**

Here, pupils will draw upon concepts of chronology and connect it to causation and impact when we consider the effects of strategic bombing in the war – considering local airbases, county restrictions, and national rationing.

Art/DT

Painting and Collage (Cubism)
Structures

Music

Experimenting with the structure of a piece.

Maths

We will be learning:
Multiplication and Division – looking at common factors and multiples before moving onto **Fractions.**

Writing

We will be learning about: **Autobiographical writing** and its features. Then moving on to more **discursive writing** and **third person narratives.**

RE

How and why do Christians try to make the world a better place?

Spanish

It's all about the Familia.

Science

We will focus on:
Evolution and Inheritance.

We will be learning about how fossils inform us about the rich and long history of our planet, but vitally how they are evidence of the process of change that effects all life – including humanity itself.

Computing

We will be looking at audio production and creating media using audio-based applications.

PSHE

Celebrating Difference.
We will discuss what is normal and why difference can be problematic for some.
