

Reading

Our class texts this term include *There's a Rang-Tan in my Bedroom* and *And Tango Makes Three*. We will continue to follow our daily phonics programme through Read, Write, Inc.

Homework

Please follow our topic activity grid, which will mainly link to our Geography learning this term. Children should aim to complete at least four activities across the term. Reading diaries will be checked on Friday. Please ensure that there are at least four reads per week.

PE: Unit and Days

PE lessons will be on Tuesday and Thursday. Please ensure children come to school dressed in their PE kit on these days. This term, we will be focusing on tennis and preparing for sports day.

At Longcot and Fernham CE Primary School, we want our pupils to love learning and be excited, passionate and challenged by our deep, rich curriculum.

Welcome to Summer Term 1 in Sparrows Class

We hope you all had a lovely Easter break. The children have returned ready to learn and we are looking forward to another busy and exciting term filled with new experiences and challenges.

Geography

Our geography learning will focus on fieldwork and map skills. The children will learn how to describe places, identify physical and human features, and create simple maps using keys and symbols.

Art & D.T.

In art, we will be exploring textiles, collage and 3D art.

In DT, we will begin by exploring materials and will later look at healthy food choices.

Music

In music, we will be exploring emotions through music, moving in time, listening carefully and describing different pieces.

Maths

In maths, we will be focusing on multiplication and division. Later in the term, we will move on to fractions and position and direction.

Writing

This term, the children will begin by retelling stories before moving on to writing non-chronological reports.

PSHE

Jigsaw Unit: *Relationships*.

The children will learn about families, friendships, resolving conflict, trust and celebrating special relationships.

Science

In science, we will be revisiting our learning about animals, including humans. The children will explore different animal groups, their features and what makes them unique. They will also learn about the human body and their senses.

Computing

We will be learning about technology all around us and how to stay safe online.

RE

In RE, we will explore the question: *In what ways is the synagogue important to Jewish people?*
