

Maths

Odd & Even

Grouping & Sharing

Addition & Subtraction

Doubles

2D and 3D shapes

Homework for this term -

Weekly phonics - QR Codes

Continue to encourage your child to write simple sentences.

Learn your number bonds to 10
(2 numbers that make 10)

Consolidate your number bonds to 5.

Create a map of your journey to school (simple representations of things that you pass along the way. Eg. The post box, the horse field, a roundabout, a windmill etc)

At Longcot and Fernham CE Primary School, we want our pupils to love learning and be excited, passionate and challenged by our deep, rich curriculum.

Welcome to Summer Term 2 in Wren Class

Our topic this term is "Ready, Steady, Explore!"

We are starting this term looking at the book 'The Gingerbread Man' by Mara Alperin and Miriam Latimer. The language used in this version is wonderful and I know the children will love learning all the new vocabulary. Later in the term, we will be reading 'Things That Go!' by William Bee - the children will enjoy all the opportunities that this book will bring for junk modelling vehicles! We finish the term with 'Martha Maps it Out' by Leigh Hodgkinson. Martha even maps out her hopes and dreams and shows us that anything is possible!

Expressive Arts & Design

Home themed role plays.

Songs & Rhymes:

Sing Up: Slap, Clap, Clap
Bow, bow, bow, Belinda

Art: Looking at different artists.

Kandinsky, Matisse, Warhol

Literacy

Surname writing

Correct letter formation.

Sentence writing - capital letters & full stops.
