Welcome to Summer Term 1 in Wren Class

Our topic this term is "Small Beginnings, Big Adventures!"

We are starting this term looking at the book 'Tad' by Benji Davies. Tad is the smallest tadpole in her pond and she isn't happy because she is not growing and changing as fast as all her tadpole brothers and sisters. Tad learns that growing can be different for everyone, and just because you are small it doesn't mean that you are not strong or resourceful. Later in the term we will be reading 'Luna Loves Art.' Luna's class go on a school trip to an art gallery, where they discover lots about different artists and different families.
