

Reading

Our class texts this term include The Lion Inside, The Tortoise and the Hare and The Proudest Blue.

We will continue to follow our daily phonics programme through Read Write Inc.

Welcome to Summer Term 2 in Sparrows Class

We hope you all had a lovely half-term break and have been enjoying the wonderful sunny weather. The children have worked incredibly hard this year, and we are looking forward to a busy and exciting final term filled with new learning opportunities and experiences.

Homework

Please follow our topic activity grid, which will mainly link to our History learning this term. Children should aim to complete at least four activities across the term.

Reading diaries will be checked on Friday. Please ensure that there are at least four reads per week.

PE: Unit and Days

PE lessons will continue to be on Tuesday and Thursday. Please ensure children come to school dressed in their PE kit on these days. This term, we will be focusing on athletics.

At Longcot and Fernham CE Primary School, we want our pupils to love learning and be excited, passionate and challenged by our deep, rich curriculum.

History

Our history learning will focus on seaside holidays in the past. The children will explore how seaside holidays have changed over time.

Maths

In maths, we will begin by learning about position and direction before moving on to place value. Later in the term, we will explore money and time through a range of practical activities.

Science

In science, we will be finishing our Animals, Including Humans unit before revisiting our learning about plants.

We are also looking forward to our visit to the Cotswold Wildlife Park on 12th June

Art & D.T.

In art, the children will create their own creative responses to a range of stimuli.

In DT, we will explore structures by testing how strong different paper structures can be.

Writing

This term, the children will begin by exploring stories from other cultures before moving on to writing recounts and formal invitations.

Computing

In computing, we will be learning how everyone can create through digital collage and composition.

Music

In music, we will be experimenting with sounds using tuned and untuned percussion instruments.

PSHE

Jigsaw Unit: *Changing me*
The children will learn about life cycles, growing and changing, understanding their bodies, assertiveness and preparing for future transitions.

RE

In RE, we will explore the question:
What are the best reasons for following a leader?
