

READING

Each Little Wren will have their own reading diary and will independently choose a book or two to enjoy at home. Don't forget to return them so they can be changed and for others to enjoy.

P.E

This term our P.E session will be:

Friday Afternoons

Children registered for that session will need to have a full P.E kit that remains in school.

Kits will be returned at the end of each term for washing.

Please ensure ALL items are named.

HOME SCHOOL COMMUNICATION BOOKS

A daily log to share general information about well-being, behaviour, and achievements etc between home and school.

DRINK BOTTLES

As we enjoy our busy days of learning, playing, and exploring, it is important that Little Wrens stay refreshed and hydrated. Please send your child to Preschool each day with a clearly labelled, spill-proof water bottle (not glass) filled with fresh plain water.

SNACKS

We encourage healthy eating and provide Little wrens with a piece of fruit or vegetable for morning break. You are welcome to send in your own snacks but please avoid nuts or nut products and ensure that grapes, berries, and plum tomatoes etc are sliced to avoid a choking hazard.

TOYS

May we ask that toys or other objects from home not be brought into the classroom to prevent loss or damage.

Comforters are an important transitional object to help support children's emotional security during unsettling times so children may bring these into preschool to have when needed.

GETTING MESSY

Little Wrens will get a bit messy whilst at preschool due to the activities we offer. We do have lots of aprons and waterproofs for the really messy play, but we recommend you provide a change of clothes just in case.

We also have continuous provision outside so please make sure your child has the correct weather gear.

MILK

Children under five are entitled to free milk.

If you would like your child to have milk, please register at <https://coolmilk.com/>
